## Happy Days Private Day Nursery

### Introduction

Happy Days Private Day Nursery is situated away from the main roads in the quiet residential area of Kirkheaton, Huddersfield.

The nursery has been designed to cater for 56 children ages 0-5 years. On the ground floor there are rooms specially designed to cater for babies 0-2 years and toddlers 2-3 years. The first floor has rooms to cater for 3-5 years old children. Each age group has rooms, which have been divided to allow wet/dry play, and they also have quiet and sleeping rooms.

A large outdoor play area is available at the rear of the property, which has been divided into a lawned area and a safe surface play area for your children to play on. We also have a small area, which will enable your children to take an interest in growing their own plants.

There are parking spaces situated at the front of the building, which are designated for parents who are dropping off or collecting their child/children. Disabled parking facilities are also available.

The nursery boasts a fully equipped kitchen, with an area set aside for your children's cooking activities. A separate dining area enables your children to eat together with staff in a happy relaxed family atmosphere. All meals shall be served from tureens at the tables and the older children will be encouraged to serve themselves. As children learn from examples, table manners will be encouraged by the staff setting a good example themselves.

We have our own laundry room on the premises which will enable us to set good hygiene practice by making sure that all laundry is done on a daily basis.

The children have their own cloakroom facilities both upstairs and down, the downstairs having disabled access. Staff have their own cloakroom facilities and a separate rest room.

## Happy Days Private Day Nursery Terms and Conditions

### Registration/cancellation

When an offer has been made to yourselves with regards to a place for your child/children at Happy Days Nursery and you have accepted, a registration fee of £50.00 will be required. That along with a fully completed registration form will act as a contract between the two parties.

The nursery will be unable to keep your child's place open until the registration form and fee have been received.

Registration fees are refundable on your first full monthly payment once the child/children have started at nursery.

Once a place has been booked and registration fee paid we would accept no less than one months notice in writing if the place was then not needed, no refund of £50.00 registration fee will be refunded otherwise.

### Payment and non-payment of nursery fees

Payments for your child's/children's care at Happy Days Nursery will be payable in the month of which they are due.

Payment dates for when monies can leave your account for standing order will be agreed when being offered the place.

When payments are not made on time and fees fall in arrears then a letter of reminder will be sent to you, on receipt of this letter we would expect payments of childcare fees to be promptly brought up to date.

In the event of payments still not being made we would write to you giving 14 days notice to terminate your contract with us, and this would act as a final demand notice.

The nursery has the right to engage legal help to recoup any losses and 8% will be added to your bill of the outstanding amount.

The nursery reserves the right to increase fees as an annual basis giving you one full calendar months notice to do so, stating date new amount will commence and amount of increase.

### Calculation of fees

The nursery year runs from 01 January – 31 December the nursery will be open throughout the year with exception of bank holidays; these will still be charged at the normal rate.

Fees are calculated by taking the amount of your child's/children's weekly childcare fees and multiplying by 52 (the weeks of the year). This amount is then divided to give 12 equal monthly payments for your fees.

The nursery offers 5% discount when both children from the same family attend nursery together, this amount is deducted from the amount calculated for the 52 weeks.

Two weeks half fees are given for the family's annual holiday and this will be deducted from the month's fees of the month the holiday is taken.

All absences other than the two weeks half fees will be charged at the normal rate.

When a child leaves the nursery and has been with us less than the 12 months, but two weeks half fees have been given, the fees will be recalculated for the final bill to recoup the money given.

### Adverse Weather

In adverse weather conditions, every effort will be made to open the nursery. To allow time for staff to arrive safely, it may be necessary to open the nursery at 10am. This will be in line with school policies and health and Safety. No refunds can be given if the nursery is unable to open, due to extreme adverse weather conditions.

### Termination of Contract

One calendar months notice will be required when withdrawing your child from nursery care or one month's fees in lieu of notice will be required. Notice must be in writing for the attention of the Nursery Manager.

During your notice period your child will be cared for at the nursery with the exception of fees not being paid, then we would ask for your child to be kept away from the nursery and seek legal assistance to recover the monies owed.

### Variation

There shall be no variation of this agreement unless it is in writing and made between a duly authorised representative of Happy Days Nursery and the parent/guardian, any such agreement being in writing from the Nursery Manager.

### Acceptance

The above terms and conditions are considered to be fair and reasonable. In the event of any term found by a Court of Law to be unreasonable then the clause shall be removed but the agreement shall remain in full force and effect. The parent/Guardian has read and understands the Terms and Conditions contained and undertakes to be bound by the same.
